

Newsletter no.6 - March 2012

Dear colleague and user of the EnergyPLAN software,

You receive this EnergyPLAN Newsletter because you have once downloaded the EnergyPLAN computer model.

We issue a newsletter once or twice a year. If you do not wish to receive such letter, please reply with a NO to this e-mail and we will delete your e-mail address from the list.

**New version 10.0 is soon available on [www.EnergyPLAN.eu](http://www.EnergyPLAN.eu)**

The EnergyPLAN model is developed on a continuous basis and we expect to launch the new version 10.0 later this year.

**PhD course on Energy System Analysis at Aalborg University in April - May 2012**

This spring, Aalborg University offers a PhD course on Advanced Energy System Analysis on the EnergyPLAN model.

The PhD course is a combination of lectures and computer workshops, which gives an introduction to advanced energy system analysis by the use of the EnergyPLAN computer model.
